Sir:

In accordance with 37 C.F.R. §§1.56 and 1.97, the material listed on the attached form PTO-1449 is being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application. The reference listed was cited in the search report of the corresponding PCT application.

The enclosed references are being submitted pursuant to 37 C.F.R. §1.97(b)(3) before the first action on the merits. The reference submitted with this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Supplemental Information Disclosure Statement.

The filing of this Supplemental Information Disclosure Statement shall not be construed to be a representation that a search has been conducted, nor shall it be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).
